Support those who have given a lifetime

Women and men religious have dedicated their lives to service-praying, teaching, and caring for those in need - usually for little or no pay. Today, their religious communities do not have enough retirement savings. Your donation provides for the essential care, medicine, and daily needs of thousands of senior women and men religious. Please give generously.

INVOKING THE TRINITY

St. Patrick didn't convert a country on his own; he led people to the truth of the living God in the Blessed Trinity. Through a personal relationship with the Lord, he was attuned to the Father's call and granted the gifts he needed to respond to it. We can do the same, calling to mind a troubled relationship as we offer the prayer of St. Patrick's Breastplate, which begins, "I arise today through a mighty strength, the invocation of the Trinity, through belief in the Threeness, through confession of the Oneness or the Creator of creation" With Christ as our guide - with us, before us, behind us, in us, beneath us, on our right, and on our left - we can walk into seemingly dangerous places with trust that his grace will see through.
